Sir,

With reference to Government Notification No.16171/G.M. 646-17-2 dated 28th May 1918 controlling the supply of kerosine - oil, I have the honour to state that arrangements have been completed with the chief mineral oil companies importing oil into -- the State under which oil is sold by their sub-agents to dealers holding licenses issued by the Director of Civil Supplies. I submit for the information of Government copy of a draft license proposed to be issued to the dealers. The draft has also been - sent to the mineral oil companies for their opinion. In order to ensure that the oil imported is all sold at reasonable prices determined by the Director from time to time with reference to the company's rates for oil, it is necessary to notify in the official Gazette in pursuance of Rule 3 B sub-rule (2) clause(b) that no-- kerosine oil shall be sold except by persons holding licenses -- from the Director of Civil Supplies. I therefore request that - the Notification may be published in the Gazette at an early date.

I have the honour to be,
S i r ,
Your most obedient servant,

X
For D I R E C T O R.

NOTE

The maximum rate at which kerosine oil should be sold per tin in places where there is a bulk oil installation is four annas in excess of the company's standard rate at the place. On wayside stations the maximum rate may exceed by another one anna. When oil is to be transported by cart the rate of excess chargeable per tin for every 10 miles of road journey should not exceed 0-0-9 and not more than two annas per tin should be charged towards the other expenses and profits of the retail village dealer.

The following illustrations will make the applications of the rules in regard to maximum prices clear. The standard rate at Mysore where there is a bulk oil installation is 2-10-0 per tin of white oil and 1-14-0 per tin of red oil. The maximum rates for sale at Mysore is four annas in excess of the company's rate *i. e*, 2-14-0 for white oil and 2-2-0 for red oil. The sale rate at French Rocks where there is no installation will be three annas above the rate at Mysore anna being given towards the expenses involved in taking oil to a wayside sta and another sum of two annas representing the expenditure and profits Retail dealers *i. e.*, a tin of white oil will be sold at French Rocks at 3-1-0 and a tin of red oil 2-5-0.

The sale rate at Chamarajanagar which is 22 miles by road from Nanjangud where there is a bulk oil installation is to be fixed as follows :—

	White oil.	Red oil.
Company rate per unit of two tins	5 4 3	3 11 9
Dealer's profit ...	0 8 0	0 8 0
Cart hire	0 1 6	0 1 6
